

Scenco

Scenco is a construction firm specializing in residential development and site preparation. Any type of subdivision or site work for commercial or residential construction is done by Scenco. Scenco's sister company does blasting, so if any is necessary it is not a problem. Utility, storm sewer, water, sanitary sewer jobs all fall within Scenco's capabilities. Road building and parking lots can also be done.

For more information contact Jim Packard at 256-533-7402, or email scencodv@comcast.net.
